Presents

“Adventures At Google”

Martin Farach-Colton
Assistant Professor, Rutgers University (on leave, now at:)
Google, Inc.

--- 3:00 pm --- Friday, November 8, 2002
CS Main Classroom (rm. 381), 1890 Maple Avenue

Abstract:

Google has changed the way some parts of a search engine are built. I'll discuss some of the changes, as well as some experiences from my two years in the Google Research Department and the nature of research at a startup.
